

## **The Journey**

We are happy to announce that our parish will participate in a new program to help everyone grow in faith. The program is called **The Journey**, and it provides a way for each of us to deepen our sense of the experience of Jesus.

The program involves six weeks of reflection, prayer and sharing. The best way to do this is through groups that our parish will be organizing over the next month. You'll be hearing more about this prior to Sign-up Sunday, which will be on 11 February. There are other ways to participate. There is a short devotional, with meditations for every day for the six weeks; this booklet will sharpen your feelings about Jesus and faith. These will be offered after our Sunday Masses just prior to Easter.

Please stay posted and prepare for an exciting few months ahead as we begin **The Journey**.
